

# DATABASE ACCESS

Your base is connected directly to the UNIT worldwide database, giving you a constantly updated feed of military movements, political events and possible alien activity across the globe. You can tap into telecommunications and secret government records. You also have access to UNIT's exhaustive database of past encounters

## Effect

This Trait provides 3 Story Points every game session that can only be spent on research and related activities. You could spend the Story Points to get extra dice to succeed at a really difficult Knowledge roll, or spend them to declare you've got a copy of some vital document or map in the archives.
